Parents, Carers & Guardians Code of Conduct

At Charlton Park we encourage our parents to:

- Familiarise themselves with the Youth Sections coaching and volunteers.
 - Familiarise themselves with the coaching and training programme in order that you can ensure that your young person is fully involved and our coaches are aware of their availability upon selection for matches.
 - Be aware that Charlton Park have a duty of care to ensure the safety of players and therefore, where appropriate, assist coaches with the supervision of the players, particularly where numbers are large and there is a need to transport players to away games.
 - Share any concerns, queries, questions or complaints you have immediately with Charlton Park RFC that way any problems can be dealt with quickly and efficiently.
 - Encourage your young people to play – Never force them.
 - Focus on the players' efforts, rather than them winning or losing.
 - Be realistic about the players' abilities; do not push them towards a level they are not capable of achieving.
 - Provide positive feedback both in training and during and after games.
 - Remember that persistent negative messages will adversely affect the player and their performance and attitude.
 - Always support Charlton Park RFC in their efforts to eradicate loud, coarse and abusive behaviour from the game.
 - Always show appreciation of good play by all players both from Charlton Park RFC and our opposition.
 - Respect decisions made by the match officials, even if they appear to be a mistake, and encourage players to do likewise.
-
